

# Applications for Affymetrix® Microarrays

**Wednesday, November 30**

12:00 PM - 2:00 PM

Gourlay Conference Room, UBC James Hogg Research Centre  
11081 Burrard Street

**12:00 PM: Introduction**

**12:05 PM: Affymetrix Gene Expression**

The latest in Affymetrix expression technology focusing on whole transcriptome, gene, exon, and miRNA profiling.

**12:50 PM: Q & A**

**1:00 PM: Panomics**

An innovative approach for low-plex to mid-plex gene expression including *in situ* assays with single copy sensitivity.

**1:50 PM: Q & A**

**Sponsored by:**

**Janet Wilson-McManus - PROOF Centre for Excellence**

**Lunch will be provided**

**Space is limited so please RSVP**

**For more information contact:**
